

The restaurant at Flämslätt has a fantastic view overlooking the lake Flämsjön. We serve everything from "Today's lunch" to

large wedding dinners. Have a mineral water or a nice Bordeaux, you choose!

The Restaurant is able to serve up to 150 persons at the same time, but we can also divide it for smaller companies.

The Church – Heart of Flämslätt.

Flämslätt is an important place as meeting place for people, where faith and tradition can be passed on.

Morning- and midday prayers are held regularly and Sunday-service is often held. We have our own priest who is available for services,

conversations etc. Book an appointment with our priest as an item in your conference or camp.

Every summer we arrange a confirmation camp that starts with a meeting in autumn the year before.

Golf player?

About 400 m. towards Lerdala is **Billingsens golf club** situated. A beautiful golf course with a large variety of ups and downs. Book a package with accommodation, breakfast, dinner and green-fee!

Flämslätt is a resting place in the beautiful and restful Valle district with our own beach and nearby walking tracks. Outside the building we have large green areas that invites to, among other things, football and volleyball. In case of bad weather you can use our gymnastic hall – Jättasalen - instead. We also have table tennis and pool table.

Successful meetings!

Flämslätt has an interesting and attractive environment for **courses** and **conferences**. Our conference facilities are fully equipped with technology, teamwork-rooms and conference rooms in different sizes, up to 300 persons.

We cooperate with for example **Urkraft**, that makes team- and leadership programmes for just your company.

We can also arrange wine testing, handcrafting and a lot of other things!
